Homestead defeats Dr. Krop to advance in the playoffs - Next up, Miramar

By David Vale
The Homestead Senior High School football team has made it to the second round of the play-offs; they will host Miramar on Saturday at 1:30 p.m. According to the Homestead football team, a lot of people are looking forward to this game. The team has been practicing hard and looking forward to playing against the Broncos. According to a team member, "We will watch game film and study Miramar. This is the time of year when we have to leave everything on the field. The team is battle tested and we have faced some very good competition. The games have been lessons on how to play like there is no tomorrow. I have a great confidence in our coach and this team," he said.

Coach Philip Simpson believes his team is ready to play well for the game. "There is no such thing as a slow game. Football is not an easy sport to play well. Miramar is a very good team and they have done well in the state playoffs," said Brown.

Mills said, "It is important to be positive and work hard in practice." The Broncos are 10-2. One of their losses came against Southridge. Simpson believes the teams learned from the loss and can do well against Miramar.

Homestead Makos to send three teams to national tournament

The Homestead Senior High School Soccer Team was one of three teams to be selected to participate in the AYSO National Games. The games will be played in Irvine, California. There will be 30 state federations with players from about 20 fields. There were 72 teams from 30 states who tried to advance in the tournament. The Homestead teams were selected via lottery. The regional commissioner sign the travel teams up for this lottery if they believed that there were 20 fields. The Homestead Makos were the third local area (REEF) in Key Largo. Amoray Dive Resort in Key Largo was the first area inductee into the Women Divers Hall of Fame. The annual Diving Games in Irvine, California will be held on November 25th. The teams need to raise $500 for this event. New members are being added to the team. From its inception, AYSO has made a strong commitment to building character and teamwork among young people. The organization has worked extremely hard this year and is looking forward to the results of their efforts. They hope the Homestead Makos can advance in the playoffs and make it to the finals. The team has worked very hard and is looking forward to the future.

Coach Philip Simpson believes his team will advance in the playoffs - Next up, Miramar

Another Local Woman Inducted into Women Divers Hall of Fame

NEW ORLEANS—A local woman has been inducted into the National Women’s Diving Hall of Fame. Christy Pattengill-Christy was inducted into the Hall of Fame at a ceremony held in New Orleans. The event was held to honor the achievements of Christy Pattengill, a former Olympic diver. Christy Pattengill was the first American woman to win a gold medal in the 10-meter platform diving event. She was a four-time Olympian and won a total of four medals, including two golds. The induction ceremony was attended by family, friends, and fellow divers. Christy Pattengill is a role model for young women and has inspired many to pursue their dreams. The National Women’s Diving Hall of Fame was created to recognize the achievements of women in the sport of diving. The Hall of Fame inducts women who have made significant contributions to the sport. Christy Pattengill was inducted in 2015 for her lifetime achievements in the sport of diving.
DIVING from 1B enjoys our under- water world. Support the underwater world and its associated careers by promoting opportunities in diving through internships, scholarships, internships, and mentoring as well as a worldwide network of industry contacts,"

Bonnie Toth, a 2007 inductee, works with scuba diving in 1979 in California. She was at the WDHOF booth at the DEMA show and emphasized the scope of their financial support to individuals. "We give around $70,000 per year in about 40 scholarships, grants and internships. Our mentoring program is important, too. The sky is the limit for women who are going into everything marine sciences to videography."

According to their website, they have awarded over half a million dollars to website, they have awarded according to their website. The sky is the limit for individuals.

Training grants provide funding for diving and diving-related undergraduate training.

Twelve one training grants are offered this year. Training grants provide funding for diving and diving research and field work, and conservation/education activities, as specified in the description of the grant.

Twenty-one training grants are offered this year. Training grants provide funding for diving and diving-related undergraduate training.

Fifteen of the training grants are for basic, advanced, and divers and the other six are specialty grants. Some of the training grants and grants are reserved for only some and some of those designated for younger women. In their outreach to echo Toth’s phrase of, “The sky’s the limit,” one example is a training grant for Hardhat Dive Training (commercial diving).
