An Annual Celebration of Marine Conservation

October 13-16, 2022

Sponsorship Opportunities

Hosted in Key Largo, Florida, REEF Fest is a celebration of marine conservation. This event features ocean-themed seminars, dive, snorkel, and kayak trips, and social gatherings. All REEF Fest events are open to the public.

Ocean enthusiasts and distinguished leaders in conservation and the SCUBA diving industry attend REEF Fest. Of the more than 300 attendees at the last annual event, nearly 90% of respondents indicated a desire to attend a future REEF Fest. The goals of REEF Fest are to increase public awareness and ocean stewardship, promote the Florida Keys as an eco-tourism destination, support the diving industry, and celebrate and encourage marine conservation.

You can show that you care about the health of our oceans by becoming a sponsor of REEF Fest 2022! All proceeds from REEF Fest directly support the future of our oceans through REEF's marine conservation programs.
